Rev. C. A. Glass, the blind evangelist will give his lecture "Light in the Darkness" at the Evangelical Church on Monday evening July 17th at 7:30. Rev. Glass is an accomplished lecturer, gospel singer and violinist. Everyone is invited to hear him and spend an unusually entertaining and profitable evening. Admission free. A silver collection will be taken.

The Board of Education of Wauseon at a meeting held last Friday evening elected Miss Biddle, daughter of Mr. and Mrs. W. L. Biddle of Al to fill the vacancy in the corps of grade teachers caused by the resignation of Miss Clara Miller. At the same meeting Miss Helen Hartman was elected supervisor of Music in the public schools. Miss Hartman is a graduate of music of Michigan University and has given excellent satisfaction as instructor in music in the schools of Wauseon and Delta.

That United States Marines suffered little from hot trouble on long hikes in the tropics, is attributed to the fact that they invariably sprinkle soap powder into their shoes, and their stockings just prior to the march, according to a naval surgeon just returned to this city from Haiti. In the Haitian campaign the United States Marines were sometimes forced to march thirty or more miles a day over rough mountainous roads, and the cases of blistering, or painful swelling of the feet, were almost negligible.

Mrs. A. E. Carter formerly of Fulton County, Ohio, has been spending the past year with relatives in Northern Michigan, decided to return to the Pacific Slopes of Oregon. Although she could not endure another Michigan winter but found a trip across the Continent might make demands on her strength and endurance equal to Michigan's winter. In Wisconsin she was delayed by running into a wrecked freight train; on the afternoon of the same day, they ran into another wrecked train that delayed them fifteen hours; the next day a woman died on the train, heart trouble developed by high altitude; then she was caught in a fire causing another delay. "But am safely through—found the folks waiting for me—stood the trip well considering all."

On Friday last week Mr. and Mrs. Harry Smiley and their two sons autoed over from Wyandott, Michigan to visit relatives and friends in this vicinity. Mr. Smiley was formerly a resident of Fulton county, attending school at Delta Center. He is now a student at Oberlin College. The brilliant intellectual promise of his boyhood, has been fulfilled in manhood, having always had a high position in educational work, is now, and has been for several years, at the head of a business college in St. Louis, Missouri. The sons are a poet, a musician, mother and father are proud of; they look physically and mentally strong, are both college students, the oldest Donald, is to graduate from Michigan University this coming year. It is a great pleasure to meet those we have known in early life in years of maturity, filling places of honor and trust, and with earnest endeavor seeking to make the world better.

BOY SCOUTS, ATTENTION.
All scouts who are interested in drilling are requested to be present at the grade school grounds this Friday evening at 7 o'clock sharp.

OBITUARY.
Mrs. Josephine Snyder, widow of the late Jacob Snyder, passed away at the Toledo Hospital on Tuesday July 11th. She was born at Whitehouse, Lucas county, December, 1839. She was married to Jacob Snyder in 1870 and six children were born to them, Arthur, Josephine and Charles survive. Services were held Thursday at one o'clock at the home of her son, Dr. W. C. Schaffer officiated. Interment was made at Swanton.

MEXICAN WAR VETERANS.
Persons knowing of soldiers serving in the Mexican War who were before or after that war residents of Fulton county will confer a favor if they will send the names of such soldiers to Alven Shadle, Wauseon.

There is a place on the Soldier's Monument, now in course of construction, for such names and it is desired that such names be sent on to the manufacturers at once. If you know of any such names please notify Mr. Shadle within the next week.

BRING THE FISH.
Messrs. Alvin Hogboom, Dr. Jay H. Miller, Daniel Cingaman and W. H. Campbell returned last Tuesday from a two weeks' fishing trip at Oscoda, Michigan. They report plenty of fish and a delightful time. As proof that they caught the fish they brought home some fine specimens which they distributed among the boys of the "Double Thompsons" that stayed at home. We haven't heard any of the real sure enough fish stories yet; presume the weather is so hot that they have to be kept on ice.

LECTURER.
LEGAL COMPLICATIONS.
In spite of warm weather people will get into the toils of the law by going so far in their pursuit of what they seem to think is their liberty and pleasure that they infringe upon other peoples liberties and violate the law which stands for the equal protection of all.

During the past week one Wauseon boy drew a fifteen day jail sentence and costing in Justice Deyo's court for assaulting a young girl.

Frank Carpenter of Delta was bound over to the Grand Jury in the sum of \$500 on the charge of furnishing intoxicating liquors and is waiting in the county jail to have a bond filled out. This is a case that is attracting considerable attention on account of the fact that Carpenter has been known in the county as a preacher.

Mrs. Garrett Hawley complained that her husband was not supporting her and the Common Pleas Court has taken measures to assure Mrs. Hawley proper support so that it will be unnecessary for her to leave her husband and home.

From the court of Justice Montgomery in Delta there came to the Common Pleas Court on Tuesday the case of the State of Ohio vs. George Greisinger. Charge of bastardy.

Her Left Side Hurt.
Mrs. Laura Reall, Plattsburg, Miss., writes: "Last April I got in bad health; my left side hurt all the time. I had symptoms of Bright's disease. I took Foley's Kidney Pills and feel all right now." They quickly relieve backache, rheumatism, aches and pains. Bladder troubles, too, are corrected by this remedy. Fink & Haumesser's.

OFFICIAL REPORT

Of The Board of Agriculture of Ohio,
G. A. Stauffer, Secretary. Condition of Crops and Live Stock July 1st, 1916.

The following report is compiled from returns received from the official correspondents of the Department.

WHEAT—Prospect compared with normal yield, 69 per cent. Damaged by joint worm 2.5 per cent.

BARLEY—Prospect compared with normal yield 79 per cent.

OATS—Prospect compared with normal yield 86 per cent.

CORN—Area in 1915 3,176,600 acres. Area compared with last year 92 per cent. Total estimated area for 1916 2,915,965 acres. Condition compared with an average 78 per cent. Damaged by cut worm 3.5 per cent. Damaged by grub worm 2.5 per cent.

CLOVER—Damaged by white grub worm 3 per cent.

POTATOES—Area in 1915 96,363 acres. Area compared with last year 89 per cent. Estimated area for 1916 85,502 acres. Condition compared with an average 89 per cent.

TOBACCO—Area compared with last year 80 per cent.

TIMOTHY—Prospect compared with normal yield 97 per cent.

PASTURES—Condition compared with an average 105 per cent.

HORSES—Condition compared with an average 94 per cent.

COLTS—Number compared with an average 80 per cent.

CATTLE—Condition compared with an average 98 per cent.

CALVES—Number compared with an average 94 per cent.

WOOL—Clipped compared with last year 90 per cent.

Wheat prospects show no material difference from that reported on month ago. The state average is now estimated at 69 per cent, or about 10.3 bushels per acre. Harvest will be owing to unfavorable weather conditions. Damage by joint worm 2.5 per cent.

Oats show an improvement during the past month, the harvest prospects being estimated at 86 per cent based on 30 bushels per acre representing 100 per cent.

Heavy and continuous rains throughout the state delayed corn planting far beyond the period when usually all the corn is in, and a great many fields prepared for corn have not been sown. This has had considerable effect on the total area as indicated by the estimate made which is 20,635 acres short compared with last year. The corn which is sown for this time of year, and there is great lack of uniformity of growth owing to the irregularity in time of sowing. The corn which is sown pushes rapidly forward under favorable conditions, and with such from this period, there will be time for the making of a good crop on the area that is up. The comparative condition for the state is estimated at 78 per cent. of an average. Damage is reported by the cut worm to the extent of 3.5 per cent. and by white grub worm 2.5 per cent.

Timothy and general good, though some thin and many fields are overrun with weeds. Pastures are generally excellent.

Horses and cattle are in good condition and the number of colts and calves compared well with past few years.

IN THE TOILS.
Last Sunday after a rather exciting chase Deputy Sheriff W. S. Boone captured a notorious desperado known as "Slim" who had been diverting himself by pulling flowers from flower beds and making other disturbances. "Slim" was arrested on a larceny charge and on Tuesday was adjudged insane by Judge Barber after examination by Doctors Maddox and F. C. Hartman.

Judge Barber committed "Slim" to the Toledo State Hospital where he was taken on Thursday. Richon has a father living near Medina, Ohio, who last Monday night of his son's arrest by Judge Barber but he failed to respond to the communication. The examination and investigation developed the fact that Richon was previously been an inmate of a sanitarium known as "Fair Oaks Villa" at Cuyahoga Falls, Ohio.

"Slim" is just about one year ago that "Slim" came to Wauseon and during his residence here he has picked up a precarious livelihood, sleeping in different places about town, doing some odd jobs but seeming to steer shy of a steady job and holding an aversion to hard work on general principles.

He figured as a perambulating "Santa Claus" for one of the local stores during the last Holiday season and seemed to be quite a success in this line. Until recently "Slim" had been considered a harmless vagabond, but his chief peculiarity being that he stood about on the streets holding prolonged conversations that were rather plentifully sprinkled with profane and obscene language, with imaginary persons. These conversations have grown of late to rather loud debates on the streets at night. Citizens starting from their beds sure that a fierce fight between two or three men was taking place, found on looking out of their windows that "Slim" was alone and making all the disturbance by himself.

Of late he has been threatening to "get some of our prominent citizens with a gun or spit their heads open with an ax and he has frightened and annoyed a number of ladies by standing in backyards and peering in at doors and windows.

The best place for "Slim" is where he may be properly cared for and receive the medical attention of which he is undoubtedly in need.

BASE BALL.
In a closely contested game last Sunday afternoon the Wauseon team lost, by errors to the Swanton Boys by a score of 3 to 1. The game was intensely interesting and proved a "spellbinder" for the "fans". Next Sunday afternoon at 2:30 the General Furniture Team of Toledo will visit the home team and a fast game is scheduled.
